

Get to know your banking partner!

Helping you take your banking to new heights.

With nearly 30 years of expertise in Commercial Banking, Erin excels at delivering exceptional banking experiences to Middle-Market clients across diverse industries. Whether the needs involve business acquisition, commercial and industrial financing, or commercial real estate, Erin's comprehensive knowledge ensures tailored solutions.

Erin is a strategic thinker who embraces new challenges with an open mind, aiming to deepen her understanding of client needs. This thoughtful approach enables her to make well-crafted recommendations that drive success. She values the reward of helping clients through common-sense solutions, building strong foundations and fostering lasting, thriving relationships.

Beyond her professional commitments, Erin is deeply engaged in her community. She has served as President and Board Member of the Risk Management Association's MN Chapter and has contributed to numerous Non-Profit Boards over the years. Recently, she joined the loan committee at Amplio, looking forward to gaining new insights into SBA governance.

In her free time, Erin is an avid adventure racer and traveler, participating in various events worldwide.
